#### CALIFORNIA INGREDIENT DISCLOSURE

California's "Cleaning Products Right to Know Act of 2017" requires product manufacturers to disclose the ingredients of certain products to consumers. Covered products include air care products, automotive products that maintain the appearance of a motor vehicle, general cleaning products, or polishes or floor maintenance products used primarily for janitorial, domestic, or institutional cleaning. Industrial products specifically made for industrial manufacturing processes are not covered by the Act. The regulation can be viewed at:

**Product Name:** Microgreen Elite

**Part Number(s):** LS-4500 series

A Safety Data Sheet (SDS) for this product can be downloaded from our website ([www.itwprobrands.com](http://www.itwprobrands.com)) either by utilizing the search function on the Home page or from the Product page. Please note that OSHA's Hazard Communication Standard has different disclosure requirements than California's "Cleaning Products Right to Know Act of 2017." Therefore, information listed in Section 3 of the SDS may not exactly match the information in this disclosure.

| Chemical Name                  | CAS #      | Function              | Designated List / Fragrance Allergen | The table below provides links to the designated lists referenced in the California Cleaning Product Right to Know Act of 2017. |                                                  |
|--------------------------------|------------|-----------------------|--------------------------------------|---------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------|
| Water                          | 7732-18-5  | Solvent               | N/A                                  | <a href="#">CA Prop 65</a>                                                                                                      | <a href="#">CA NLS</a>                           |
